7. REVIEW OF LEASING POLICIES AND ROYALTY RATES AND FEES - W.O. ~~3413~~ 5125

In response to a query from Commissioner Finch, the Executive Officer reported that an over-all review of leasing policies relative to piers in Lake Tahoe is being conducted by staff, and that a report, with recommendations, will be made to the Commission early this year.

In addition, a report is to be made by staff to the Commission on the existing price structures for all permits and leases, with a view to having these updated.
