8. (Agreement No. 415 - Standard Oil Company) Upon motion duly made and unanimously carried, a resolution was adopted confirming the approval heretofore given by the Executive Officer for the 45th and 46 revisions of the State's participating interest in the productive area of the Rio Vista Field. Under these revisions, the State's participating interest became 9.653% and 9.606%, respectively.

This approval is granted subject to any change which might result in necessary adjustments of the basic acreage figure to be agreed upon with respect to the 11th to 12th revisions, and further subject to the Standard Oil Company agreeing to extend for a period of sixty days after the submission by Standard Oil Company to the Commission of the revised map of the Rio Vista Field which the Standard Oil Company has agreed to submit, the time within which the State might make formal objection to the 11th to 46th revisions, inclusive, of the State's percentage allotment.

9. (Possible Trespass of Elwood Upland Wells on State Land) Upon motion duly made and unanimously carried, a resolution was adopted instructing the Executive Officer to request the Attorney General to immediately proceed to obtain a court order whereunder the Commission may have surveys made of all wells suspected of trespass upon State land.

10. (Publication of Notice of Intention to Receive Bids for Oil and Gas Lease, Orange County Tidelands) Upon motion duly made and unanimously carried, a resolution was adopted authorizing the Executive Officer to advertise notice of intention to receive bids for oil and gas leases for all of the unleased tide and submerged area lying between the western boundary of Lease No. P.R.C. 163 at Huntington Beach and the Orange County -- Los Angeles County boundary line as extended to a point three miles seaward from the ordinary high water mark. The Executive Officer is authorized to determine and divide the area into the number and size of the parcels to be advertised, which shall in no event, however, be fewer than a total of five parcels.

The advertising shall carry the following conditions and any award made pursuant to such advertising shall be subject to such conditions:

All drill sites shall be located landward of "Alternate Highway U. S. 101" or from existing jetties which have been constructed offshore in connection with the United States Navy Ordnance development at Anaheim
