RESUME OF PREVIOUS ACTION:
The Commission on November 21, 1974, authorized issue of dredging permit PRC 4975.9 to the applicant effective November 21, 1974 through December 31, 1979, for maintenance dredging of a maximum of 450,000 cubic yards of material at an annual rate of 90,000 cubic yards from the applicants wharf area at Davis Point, in San Pablo Bay, Contra Costa County, with spoils to be deposited in Corps of Engineers disposal sites.
