AUTHORIZATION TO INCLUDE IN THE LIST OF CRITERIA FOR ANY COMMISSION PROGRAM THE CRITERION THAT A REIMBURSEMENT AGREEMENT MAY BE REQUIRED

APPLICANT: State Lands Commission
1807 - 13th Street
Sacramento, California 95814

When the Commission last revised and approved lists of criteria for submission of program applications, staff was authorized to require reimbursement agreements for environmental processing, when appropriate. However, the programs governed by the approved lists of critera did not include all Commission programs available.

Because of the increasing costs of environmental review, it is felt that applicants for any Commission programs must be made aware of the need for reimbursement agreements. All lists of criterion for such programs should therefore include the provision that the execution of a reimbursement agreement may be a condition for a completed application.
