

In approving this resolution, it is understood that no additional help will be employed for the duration on this project, and all work contemplated hereunder shall be handled by the existing staff of the Commission. The later employment of additional staff for this work shall be considered as a possible postwar project.

16. (Associated Lease Application No. P.R.C. 153) Upon motion duly made and unanimously carried, a resolution was adopted authorizing the execution of a fifteen year lease to the Associated Oil Company of approximately .25 acres of submerged lands in the Sacramento River at Sacramento, now occupied by the wharf adjacent to their bulk oil plant in that City. The consideration to the State for this lease is now under negotiation and shall be presented to the Commission for final approval.

17. (Application to Lease Tide and Submerged Lands - Bodega Bay No. P.R.C. 152) Upon motion duly made and unanimously carried, a resolution was adopted authorizing the Executive Officer to enter into a fifteen year lease with Ignazio Aliote for approximately .303 acres of tide and submerged land in Bodega Bay, Sonoma County, for the purpose of dredging and constructing a wharf and fish freezing plant. The rental and royalty consideration under this lease shall be as follows:

Ninety Dollars (\$90.00) on the ninth day of June, Ninety Dollars (\$90.00) on the ninth day of September, Ninety Dollars (\$90.00) on the ninth day of December and Ninety Dollars (\$90.00) on the ninth day of March, of each year during the term thereof, and in addition to said minimum rental, the Lessee shall pay to the State each month, during the term of this Lease, for wharfage, a royalty sum, which royalty sum shall be an amount computed in accordance with the following schedule:

One-quarter of a cent ($\frac{1}{4}\text{¢}$) per gross pound on all fish or fish products unloaded upon the wharf from the water; and also a royalty of one-quarter of a cent ($\frac{1}{4}\text{¢}$) per gross pound on all other fish products unloaded upon or moved across the wharf or delivered to any processing, freezing or reduction plant constructed thereon.

18. (People vs. J. O. Dorr, Mineral Land, Section 36, T. 14 N., R. 15 E., S.B.M., 640 acres in San Bernardino County) Upon motion duly made and unanimously carried, a resolution was adopted recommending that the Attorney General appeal the adverse decision of the trial court in the case of People vs. J. O. Dorr, provided the Attorney General shall deem such action as being the best interest of the State.
