

5. (Agreement for Easement No. 415 - Standard Oil Company of California - Rio Vista) Upon motion duly made and unanimously carried, a resolution was adopted approving the 18th Revision of the State's acreage and gas allotment under Agreement for Easement No. 415 - Rio Vista (Ratable Taking Plan) effective retroactive to 8:00 A.M., December 29, 1946, giving the State a percentage of gas allotment of 13.2885 per cent in the West Hamilton Pool, and approving the 19th Revision of the State's acreage and gas allotment under Agreement for Easement No. 415 - Rio Vista (Ratable Taking Plan) effective retroactive to 3:00 A.M., January 1, 1947, giving the State an estimated productive area of 1,918.52 acres in the West Emigh Pool with a percentage of gas allotment of 10.8294 per cent, and an estimated productive area of 17.30 acres in the East Emigh Pool with a percentage of gas allotment of 0.5303 per cent.

6. (Owens Lake Litigation - Request for Additional Funds) The Commission was informed that the Attorney General had advised that he has incurred in the prosecution of the case of the People of the State of California vs. City of Los Angeles (Owens Lake Litigation) a deficiency in the amount of \$10,000.00 over the \$127,000.00 heretofore approved by the Commission, and that it is estimated that an additional \$10,000.00 will be required to complete the action.

Upon motion duly made and unanimously carried, a resolution was adopted authorizing the Acting Executive Officer to request the Director of Finance to approve a deficiency allotment in the total amount of \$20,000.00 to cover the estimated balance of the litigation costs in the Superior Court action on damage to Owens Lake.

7. (Application for Lease of Tide and Submerged Lands - Sacramento Distributing Plant, Sacramento - Tide Water Associated Oil Company - W.O. 13) The Commission was informed that an application has been received from the Tide Water Associated Oil Company for a lease of approximately 0.36 acres of tide and submerged lands in the Sacramento River at Sacramento for the maintenance and installation of wharves for the handling of petroleum products.

Upon motion duly made and unanimously carried, a resolution was adopted authorizing the Acting Executive Officer to execute and issue a lease for 0.36 acres of tide and submerged lands in the Sacramento River at "Y" Street in Sacramento, to the Tide Water Associated Oil Company for the inspection, maintenance and operation of wharves for the handling of petroleum products for a term of fifteen years at an annual rental of \$716.07, subject to the condition that the lessee post a surety bond in the amount of \$5,000.00 to guarantee performance under the lease, except payment of rental, and removal of any structures on the demised premises at the termination of the lease, upon payment in advance of the first and last years' rental under the lease. The lessee is to have the option of renewal for an additional period of ten years at such reasonable terms and conditions as may be determined by the Commission at the time of renewal.
