

A meeting of the State Lands Commission was held in Room 306, State Capitol, Sacramento on March 24, 1947 at 2:00 P.M.

Present: Honorable James S. Dean, Chairman  
Honorable Goodwin J. Knight, Member  
Honorable Thomas H. Kuciel, Member.

1. Upon motion duly made and unanimously carried, the minutes of the meeting of the State Lands Commission held in Sacramento on March 4, 1947 were approved and confirmed as submitted.

2. Upon motion duly made and unanimously carried, the matter of a date for the next meeting of the Commission was deferred for later determination.

3. (Direct Sale of State's Royalty Share of Oil Produced Under State Oil and Gas Leases) An application was presented to the Commission by Mr. Chris Schirm for the purchase of the State's royalty share of the oil produced under State oil and gas leases and easements in the Huntington Beach Tideland Field in Orange County, offering the payment of a bonus for said oil of five cents per barrel above the posted market price and the assumption of any additional costs which the State might incur for gauging and accounting for royalty oil taken in kind.

Upon motion duly made and unanimously carried, a resolution was adopted referring the proposal to the staff for review and evaluation of the advantages and disadvantages to accrue thereunder to be reported upon at the next meeting of the Commission.

4. (Request for Attorney General Opinion - Los Angeles County--Orange County Boundary Line) The Commission was informed that the office of the Attorney General had suggested that the question as to the position of the boundary line between the Counties of Los Angeles and Orange, referred to that office heretofore for opinion, was purely one for the courts and that the rendering of a formal opinion might be inopportune should the question come before a court for determination.

Upon motion duly made and unanimously carried, a resolution was adopted approving the withdrawal at this time of the request to the office of the Attorney General for an opinion as to the location of the boundary line between Los Angeles and Orange Counties.
