17. (Shell Oil Company - Application for lease of tide and submerged lands, Los Angeles County - W.O. 587, P.R.C. 481) The Commission was informed that the Shell Oil Company has applied for a ten year lease of tide and submerged lands in Santa Monica Bay, Los Angeles County, approximately four miles up coast from the City of Santa Monica for the construction, maintenance and use of a service station. The lease of approximately 500 square feet of tide and submerged lands to be at an annual rental of $50.00. The littoral land is leased by Shell Oil Company for a period of ten years with right of renewal for an additional five years.

Upon motion duly made and unanimously carried, a resolution was adopted authorizing the Executive Officer to issue to Shell Oil Company a lease of tide and submerged lands in Santa Monica Bay totaling approximately 500 square feet in area for the construction, maintenance and use of a service station for a period of ten years subject to renewal for an additional five years, rental to be $50.00 per year and adequate surety bond in the amount of $1,000.00 to be furnished.

18. (Meredith Fish Company - Application for lease of tide and submerged lands, Solano County - W.O. 467, P.R.C. 482) The Commission was informed that the Meredith Fish Company of Sacramento has applied for a lease of approximately one acre of tide and submerged lands in Sacramento River at Rio Vista, Solano County, for the construction, maintenance and use of a wharf and dolphin, adjoining littoral land being leased from the City of Rio Vista. An office appraisal of land in the area indicates that the minimum rental should be $50.00 per year. Exact location of the requested area is unknown pending determination of the boundary of State lands.

Upon motion duly made and unanimously carried, a resolution was adopted authorizing the Executive Officer to issue to Meredith Fish Company of Sacramento, a lease covering not more than one acre of tide and submerged land in Sacramento River at Rio Vista, Solano County, for a period of fifteen years subject to renewal for an additional period of ten years, for the construction, maintenance and use of a wharf and dolphin at an annual rental of $50.00 and upon the furnishing of adequate surety bond in the amount of $1,000., description of the leased area to be furnished by the applicant lessee and attached to the lease as an amendment after determination of the boundary of State lands.

19. (Division of Highways - Right of way Permit - Three Mile Slough, Sacramento County - W.O. 411, P.R.C. 448) The Commission was informed that the Division of Highways has constructed a new bridge over Three Mile Slough in T. 3 N., R. 2 E., M.D.M., Sacramento County, and requests approval of a new right of way permit 200 feet in width across the slough and the relinquishment of the old right of way as approved by the Executive Officer November 23, 1940.

Upon motion duly made and unanimously carried, a resolution was adopted authorizing the Executive Officer to approve the application of the Division of Highways for a right of way across Three Mile Slough in T. 3 N., R. 2 E., M.D.M., Sacramento County, Highway District X, Route 11, Section C, and the relinquishment of the old right of way approved by the Executive Officer November 23, 1940.

20. (Division of Highways - Right of way crossing Sacramento River at Rio Vista, Sacramento and Solano Counties - W.O. 171, P.R.C. 444) The Commission was informed that the Division of Highways is rebuilding the bridge over Sacramento River at Rio Vista and has requested a 60 foot increase in width of the existing right of way (approved by the Executive Officer on November 23, 1940, and by the Commission September 15, 1939), to provide a right of way 260 feet in width between high water lines on opposite sides of the river.
