At its meeting held April 27, 1949, in Sacramento, the Commission was advised of action being taken by the Division of State Lands to close balances of accounts receivable with tideland lease operators as of June 22, 1947. As previously recited, these balances resulted from an accumulation of differences under the prior lease years. It was pointed out that as they accrued, claims for refunds due certain lessee accounts having a credit balance on the records of the Division due to overpayment of royalties would be presented to the Commission for action.

Claims from certain of the tideland lease operators, properly executed, have now been received, and were presented to the Commission for approval.

UPON MOTION DULY MADE AND UNANIMOUSLY CARRIED, A RESOLUTION WAS ADOPTED APPROVING THE REPAYMENT TO THE FOLLOWING HOLDERS OF LEASES UNDER CHAPTER 303/1921, AND THE PUBLIC RESOURCES CODE, THE AMOUNTS OF OVERPAYMENT OF OIL ROYALTIES DUE THE STATE OF CALIFORNIA, TO AND INCLUDING JUNE 22, 1947:
