UPON MOTION DULY MADE AND UNANIMOUSLY CARRIED, A RESOLUTION WAS ADOPTED AUTHORIZING THE EXECUTIVE OFFICER TO REQUEST THE ATTORNEY GENERAL'S OFFICE TO COMMENCE EJECTMENT PROCEEDINGS, PURSUANT TO SECTION 6302 OF THE PUBLIC RESOURCES CODE, FOR UNAUTHORIZED OCCUPANCY OF TIDE AND SUBMERGED LANDS IN THE FOLLOWING CASES:

1. CHARLES M. MOORE, NAPA RIVER;
2. GEORGE C. FAULKNER, PETALUMA CREEK;
3. HALLMARK FISHERIES, TRINIDAD BAY, HUMBOLDT COUNTY.

In the case of Charles M. Moore, notice was first served on March 24, 1950, of unauthorized occupancy of State tide and submerged lands in Napa River, in the vicinity of Cuttings Wharf, where he has done some dredging and erected a structure. Since that date numerous communications have been addressed to Mr. Moore, with no response.

In the matter of George C. Faulkner, commencing on October 11, 1945, and at intervals since then, communications have been addressed to him with respect to unauthorized occupancy of tide and submerged lands at the mouth of Petaluma River adjacent to property owned by him. A timber pile wharf has been constructed, and a number of timber barges have been beached on State lands at that location.
