(REQUEST FOR TERMINATION OF LEASE P.R.C. 580, GEORGE A. AND GEORGE R. ROSENQUIST, PETALUMA CREEK, MARIN COUNTY - W.O. 1164. On October 1, 1950, pursuant to authorization granted by the Commission on April 26, 1950, a lease was issued to George A. and George R. Rosenquist covering a small parcel of tide and submerged land in Petaluma Creek at Black Point, Marin County, period of lease being ten years at an angual rental of \$65. Rental schedule used in this lease specifies the annual rental to be \$50 plus \$15 per structure located on area leased. Also, on April 28, 1950, a schedule of parmit fees was adopted fixing a fee of \$15 for structures costing less than \$500, permit to be for five years. Erromous information was used as to the true of structure sweed by the Messre, Rosenquist, the structure being a short catualk pier and boat protection of minor cost rather than a structure of any substantial value. A minor-structure permit should have issued. The first and last years rentals, encunting to \$150, have been paid. To correct the inequity, the Mosers. Rosenquist have requested termination of Lease P.R.C. 580 and refund of rental paid. The Attorney General's Office has advised that this procedure is legal,

16. (APPLICATION FOR LEASE, FISH CANYON LOT 41, LOS ANGELES COUNTY, RALPH V. MARTINI - W.O. 1165, P.R.C. 1218.)

UPON NOTION DULY MADE AND UNANIMOUSLY CARRIED, A RESOLUTION WAS ADOPTED AUTHORIZING THE EXECUTIVE OFFICER TO ISSUE A ONE-YEAR LEASE TO RALPH V. MARTINI, COVERING LOT 41, FISH CANYON, LOS ANGELES COUNTY, EFFECTIVE BOVERNER 22, 1951, AT AN ANNUAL RESTAL OF \$30.

Application has been received from Mr. Ralph V. Martini for a one-year lease of Fish Canyon Lot 41. This lot has been under a ten-year lease to Mr. Martini, which expires on Movember 22, 1951. The reason for issuance of a one-year lease at this time, rather than a ten-year lease, is that Fish Canyon school lands are being exchanged with the United States for consolidated acreage in the Mountain View Morest Home Tract in Tularo County. At the time of the culmination of the exchange either the State or the Federal Government will enter into a ten-year lease, so that the present leasees of the State will be protected for a period of ten years.
