

owned and/or operated by the State or any political subdivision thereof on Mt. Diablo, the Lessee shall eliminate such interference to the satisfaction of the State Division of Communications at no expense to the State.

"Questions of use or interference not involving the State or a political subdivision thereof, which are within the jurisdiction of the Federal Communications Commission, shall be consigned or remanded to that agency.

"State assumes no responsibility or liability for the efficacy of site for television purposes. Any television mast hereafter constructed on the demised premises shall be of such height and workmanship that at least two separate channels may be transmitted therefrom, which channels may be of very high and ultra high frequency."

All other provisions and conditions of the lease to remain in full force and effect.

There being no further business to come before the Commission, the meeting was adjourned.
