On August 8, 1957 (Minute Item 24, pages 3420-22 - L.B. W.O. 10,045) the Commission approved the costs proposed to be expended by the City of Long Beach for the new Administration Building in September, 1957 for Force Account.

On September 13, 1957 (Minute Item 33, pages 3513-3515 - L.B. W.O. 10,047) the Commission approved similar costs to be expended by the City of Long Beach in October, 1957.

It is understood that the Long Beach Harbor Department is conducting studies designed to demonstrate the most favorable location for the site of the building.

Pending submission of this additional material for review, and to cover current costs, the Long Beach Harbor Department has submitted a request for Force Account costs for the month of November, 1957 to cover Harbor Department engineering expenses.
