An application has been received from Lee R. Miller of San Rafael, California, for a permit to dredge in the bed of Corte Madera Creek adjacent to his property at 69 Greenbrae Broadwalk, Marin County. Under the permit, an estimated 150 cubic yards of material would be extracted from the bed of the creek. The dredged material is to be deposited on the applicant's property.

The Corps of Engineers has issued a Department of the Army permit approving the proposed dredging operations in the bed of Corte Madera Creek.

The \$5 statutory filing fee has been paid.
