AUTHORIZATION TO CONDUCT AN INVESTIGATION - W.O. 2716.7.

In order to complete the work assigned to the State Lands Commission by the Legislature under Chapter 2000 of the Statutes of 1957, it has become necessary to inspect various maps, books, and records in the possession of a number of private persons and corporations. Public Resources Code Section 6103 and Government Code Sections 11100 et seq. authorize the State Lands Commission to issue subpoenas, inspect books and records, administer oaths, and conduct hearings. This authority may be delegated to a member of the Commission's staff. Currently an investigation on this subject is being conducted by the Attorney General's Office for the State Lands Commission, but the Attorney General's Office has indicated that it is necessary to have a member of the Commission's staff authorized to be present during this investigation to interpret technical surveying data. Francois D. Uzes, Civil Engineering Associate, has been actively engaged in this project for the past several months.

IT IS RECOMMENDED THAT THE COMMISSION AUTHORIZE THE EXECUTIVE OFFICER TO EXECUTE A DELEGATION OF AUTHORITY TO FRANCOIS D. UZES, CIVIL ENGINEERING ASSOCIATE, IN THE FORM OF EXHIBIT "A" ON FILE IN THE OFFICE OF THE COMMISSION UNDER W.O. 2716.7, TO CONDUCT AN INVESTIGATION.
