Calendar Item 13 (1 page)

APPROVAL OF DRILLING SCHEDULE FOR ADDITIONAL WELLS TO BE DRILLED DURING DECEMBER 1966 FROM ISLAND "A", 1966 PLAN OF DEVELOPMENT AND OPERATIONS AND BUDGET, LONG BEACH UNIT, WILMINGTON OIL FIELD, LOS ANGELES COUNTY - W.O. 5200.301.

The City of Long Beach and the State, pursuant to the provisions of Section 5(g), Ch. 138/1964, 1st E.S., have mutually agreed to the drilling schedule for wells A-174-I, A-669, and A-868-I to be drilled during December 1966 from Island "A" for the 1966 Plan of Development and Operations and Budget. Long Beach Unit.

The Commission, at its meeting of September 26, 1966, approved the drilling schedule for the fourth quarter of 1966, with the understanding that approval of additional Island "A" wells would be requested at a later date. Exhibit B-6, attached, sets forth the proposed surface and bottom-hole locations, drilling schedules, approximate production and injection rates, and range of injection pressures for wells A-174-I, A-669, and A-868-I.

Review by the Commission's staff of the proposed locations indicates they are geologically sound and that the drilling schedule will provide continuing orderly and aggressive development of the Long Beach Unit.

The Executive Officer, by letter dated December 16, 1966, consented to the request for approval of the drilling schedule (attached hereto as Exhibit B-6) for wells A-174-I, A-669, and A-868-I to be drilled during December 1966 from Island "A".

IT IS RECOMMENDED THAT THE COMMISSION APPROVE THE ACTION BY THE EXECUTIVE OFFICER, PURSUANT TO SECTION 5(g), CH. 138/1964, 1ST E.S., CONSENTING TO THE DRILLING SCHEDULE FOR WELLS A-174-I, A-669, AND A-868-I, TO BE DRILLED DURING DECEMBER 1966 FROM ISLAND "A", FOR THE 1966 PLAN OF DEVELOPMENT AND OPERATIONS AND BUDGET, LONG BEACH UNIT.
