AMENDMENT TO INTERAGENCY SERVICE AGREEMENT LC 27
BETWEEN THE STATE LANDS DIVISION AND THE DEPARTMENT OF JUSTICE
FOR THE 1971-72 FISCAL YEAR

Purpose: To augment the subject appropriation by the sum of \$6,418.36, increasing the total from \$65,000.00 to \$71,418.36.

The increase is necessary due to the underestimation by the Department of Justice of the total legal hours and other legal costs for the 1971-72 Fiscal Year. Costs are reimbursable to the State Lands Division from Long Beach Operations.

Underestimation of costs was due primarily to time expended in connection with the Queen Mary investigation settlement of ad valorem tax litigation and some complex and important subsidence cost problems.

IT IS RECOMMENDED THAT THE COMMISSION AUTHORIZE THE AUGMENTATION OF THE CONTRACT FOR LEGAL SERVICES FROM THE DEPARTMENT OF JUSTICE FOR THE FISCAL YEAR 1971-72 INCREASING THE TOTAL AMOUNT PAYABLE TO \$71,418.36.
