10.

RESCISSION OF AUTHORIZATION TO ISSUE LEASE PRC 4582.1

Southern California Edison Company originally applied for a permit to install an offshore tanker anchorage area and fuel pipelines at the Ormond Beach generating facility in Ventura County. The company recently advised the Division that placement of the fuel pipelines and location of the anchorage area is not satisfactory to the U. S. Navy. Accordingly, the applicant has elected to select a new location and to cancel construction plans as originally requested.

IT IS RECOMMENDED THAT THE COMMISSION RESCIND ITS ACTION OF APRIL 29, 1971 (MINUTE ITEM 4, PAGE 209), AUTHORIZING A 35-YEAR AND 6-MONTH LEASE TO SOUTHERN CALIFORNIA EDISON COMPANY FOR INSTALLATION OF OFFSHORE OIL TANKER UNLOADING FACILITY AT ORMOND BEACH, VENTURA COUNTY.
