OTHER PERTINENT INFORMATION:

1. The proposed assignment was started prior to the completion of processing of the first 10 year renewal as provided for in the lease. Therefore no filing fee was requested.
2. No processing fees were collected during the processing of the assignment. At the time processing began the policy of the Division was to collect processing fees only when the documents being processed did not provide for an annual rental. Therefore staff feels that it would be in the State's best interest to waive the processing fee at this time.
3. An Environmental Impact Report is not required. This transaction is within the purview of 2 Cal. Adm. Code 2907, Class 1B, which exempts an existing structure or facility that is in an acceptable state of repair and there is no evidence of record to show injury to adjacent property, shoreline erosion, or other types of environmental degradation.
4. This project is situated on State land identified as possessing significant environmental values pursuant to Public Resources Code 6370.1, and is classified in a use category, Class B which authorizes Limited Use.

Staff review indicates that there will be no significant effect upon the identified environmental values. This is an existing facility for which no adverse comments have been received.

EXHIBITS: A. Location Map.

IT IS RECOMMENDED THAT THE COMMISSION:

1. DETERMINE THAT AN ENVIRONMENTAL IMPACT REPORT HAS NOT BEEN PREPARED FOR THIS ACTIVITY AS SUCH REPORT IS NOT REQUIRED UNDER THE PROVISION OF PRC 21085, 14 CAL. ADM. CODE 15100 ET SEQ., AND 2 CAL. ADM. CODE 2907.
