PRC 4072

The lease listed below provides that the State may adjust the annual rental at a different amount for the 5-year term following the fifth anniversary of the lease, effective on such anniversary date.

The land covered by the lease has been re-appraised and it has been determined that the new rental shown below, which is 8% of the appraised land value, is reasonable and proper. The lessee was notified of the amount within the time constraints set by the lease.
