OF
BRIAN FOLMER

At approximately 10:00 a.m. on June 5, 1979,
I personally went to Room 2170 at the State Capitol,
Sacramento, California, and posted a sign by the door
noting the correct location of the meeting of the State
Lands Commission, i.e. 1020 N Street, Room 102, Sacramento,
California. After posting the notice, I immediately left
and returned to the office of the State Lands Commission.
