CALENDAR ITEM NO. C18 (CONTD)

STATUTORY AND OTHER REFERENCES:

- A. P.R.C.: Div. 6, Parts 1 & 2.
- B. Cal. Adm. Code: Title 2, Div. 3.

OTHER PERTINENT INFORMATION:

1. This permit amendment is necessary due to the placement of an additional dock adjacent to an existing small boat launching ramp. The upland is used as a Recreation Vehicle park and the existing launching ramp and 1 existing dock are used by the occupants of the RV park without additional charge. Our lessee also proposes some minor dredging to reconstruct an existing beach area adjoining the RV park with soils to be deposited on private land adjoining the parcel. A royalty charge will be made for material removed during reconstruction of the beach.
2. The Department of Fish and Game has no objection to the beach reconstruction provided the area is allowed to revegetate.
3. This project is exempt from CEQA because it is a minor alteration to land without the removal of mature, scenic trees and the proposed dock will occupy less than 3,000 square feet.

Authority: 14 Cal. Adm. Code 15104
Class 4 and 14 Cal. Adm. Code 15103
Class 3.

4. This project is situated on State land identified as possessing significant environmental values pursuant to P.R.C. 6370.1, and is classified in a use category, Class B, which authorizes Limited Use.

Staff has coordinated this project with those agencies and organizations who nominated the site as containing significant environmental values. They have found this project to be compatible with their nomination.
