ACCEPTANCE OF A QUITCLAIM DEED AND TERMINATION
OF A TWO-YEAR PUBLIC AGENCY PERMIT

BACKGROUND:

On April 24, 1974 the Commission approved a 2 year Public Agency Permit to the South Laguna Sanitary District, for a temporary construction staging area on a 2 mile strip of tideland near the unincorporated area of South Laguna in Orange County. The term of this permit expired March 31, 1976.

CURRENT SITUATION:

The staff has received a Quitclaim, for the area covered by the Commission's permit from the South Coast County Water District, successor to the South Laguna Sanitary District. The water district pursuant to approval by the Orange County Board of Supervisors took over the operations of the Sanitary District July 1, 1976. Additionally the staff has field reviewed the permit area and no evidence of the construction staging area was evident.

Staff is now proceeding to complete the processing of this permit by accepting the Quitclaim.
