REVISION IN LEASE RENTAL AFTER ROUTINE REVIEW

This is an Industrial Lease for a term of 10 years from January 1, 1974, with an existing annual rent of not less than \$300, covering a barge loading facility in Cojo Bay, Santa Barbara County.

This project is exempt from CEQA because it is not a project as defined within the State EIR guidelines.

Authority: 2 Cal. Adm. Code 2903(d).

The lease provides that the State may adjust the annual rental at a different amount for the 5-year term following the fifth anniversary of the lease, effective on such anniversary date. The lessee has agreed to the rent for this 5-year period.

BASIS FOR ADJUSTED RENTAL:

8% of appraised value of land. The staff has reviewed the Commission's criteria for selection among alternative rentals for industrial and right-of-way leases and was determined that the proposed rental is the most appropriate.
