PROPOSED INCORPORATION OF TIDE AND SUBMERGED LANDS, SAN DIEGUITO, SAN DIEGO COUNTY

The State Lands Commission has received a request from the San Diego Local Agency Formation Commission (LAFCO) to review and approve the boundaries for the proposed City of San Dieguito, San Diego County.

The proposed incorporation includes areas of historic and existing sovereign tide and submerged lands and as such are subject to the public trust and under the jurisdiction of the State Lands Commission.

Pursuant to Government Code Section 35009, the Commission is to review and approve or deny the proposed boundaries as appropriate and correct. If the Commission wishes to object or protest the proposed incorporation as trustee and legal owner of the tide and submerged lands, a separate authorized written protest is necessary.

The staff of the Commission has reviewed the proposed incorporation boundary description and finds it adequate. Furthermore, staff has no objection to transfer of local police power jurisdiction from the county to the proposed city and therefore submits the recommendations below for approval.

At the March 23, 1982 Commission meeting, a request was made for clarification of the area in question. Because of the 45-day deadline for acceptance or denial of the propriety of the description, the Commission denied without prejudice, the approval of the boundaries. The clarification of the boundaries has now been made.
