AUTHORITY TO EXECUTE A CONTRACT FOR
HELICOPTER SERVICES
FOR FISCAL YEAR 1982-83

The State Lands Commission has the need to contract for helicopter services for observing activities in the Santa Barbara area. Helicopter services will also be used to conduct unscheduled inspection of offshore drilling and production structures to ensure compliance with the Commission's rules and regulations.

This is a renewal of an existing budgeted contract. Additional service for the 1982-83 fiscal year is anticipated due to increased drilling activities on State lands from stationary platforms and drillships and on-site inspections north of Point Conception as part of preleasing activity in the area.

AB 884: N/A.

IT IS RECOMMENDED THAT THE COMMISSION:

1. AUTHORIZE THE SOLICITATION OF BIDS FOR HELICOPTER SERVICES AND EXECUTION OF A CONTRACT WITH THE SUCCESSFUL BIDDER.
