CALENDAR ITEM NO 13 (CONT'D)

Authority: Cal. Adm. Code, Title 2,  
Div. 3, Section 2905, Class 1 and 2.

2. The individual projects except the project located in Huntington Harbour are situated on State land identified as possessing significant environmental values pursuant to P.R.C. 6370.1, and are classified in use category, Class B, which authorizes Limited Use.
3. The Huntington Harbour activity is situated on land identified as possessing environmental values in that the State Lands Commission stated all waterways under the Commission's jurisdiction have environmental significance. Staff finds this project to be compatible with Commission policy.
4. Lake Tahoe Application: The Commission at its meeting on November 27, 1978 suspended all leasing for new construction at Lake Tahoe, except for mooring buoys in designated areas. This action was taken pending completion of an EIR which addresses the cumulative impact of continued construction of piers in Lake Tahoe. Each of the applications herein with the exception of WP 3621, are for the continued use of existing piers and buoys in the lake, and therefore are not subject to the Commission's suspension of leasing activities for new construction. Application WP 3621 proposes the repair and reconstruction of an existing pier that has fallen into a state of disrepair. This project has been coordinated with appropriate agencies and no adverse comments were received.
5. All permits covering structures in Lake Tahoe will include a condition subsequent that if any structure authorized is found to be in nonconformance with the Tahoe Regional Planning Agency's Shorezone ordinance and if any alterations,

CALENDAR ITEM NO C 13 (CONTD)

repairs, or removal required pursuant to said ordinance are not accomplished within the designated time period, then the permit will be automatically terminated, effective upon notice by the State and the site shall be cleared pursuant to the terms thereof.

APPROVALS OBTAINED:

United States Army Corps of Engineers;  
California Tahoe Regional Planning Agency  
and Department of Fish and Game (WP 3621).

FURTHER APPROVALS REQUIRED:

None (WP 3621).

AB 884: N/A except for WP 3621 - 11/4/83.

EXHIBITS:

A. Applicants; area; location; land use  
and status; and classification.

B. Location Map.

IT IS RECOMMENDED THAT THE COMMISSION:

1. DETERMINE THAT EIRS HAVE NOT BEEN PREPARED FOR THESE ACTIVITIES, AS SUCH REPORTS ARE NOT REQUIRED UNDER THE PROVISIONS OF P.R.C. 21084, 14 CAL. ADM. CODE 15100, ET SEQ., AND 2 CAL. ADM. CODE 2905, AND FIND THAT THESE PROJECTS, EXCEPT THE PROJECT IN HUNTINGTON HARBOUR, ARE CONSISTENT WITH THEIR USE CLASSIFICATION.
2. FIND THAT THE HUNTINGTON HARBOUR ACTIVITY IS SITUATED ON LAND IDENTIFIED AS POSSESSING ENVIRONMENTAL VALUES IN THAT THE STATE LANDS COMMISSION FOUND ALL WATERWAYS UNDER THE COMMISSION'S JURISDICTION HAVE ENVIRONMENTAL SIGNIFICANCE, BUT THAT THIS ACTIVITY IS COMPATIBLE WITH THAT FINDING AS IT APPLIES TO THE SUBJECT LAND.
3. AUTHORIZE THE ISSUANCE OF TEN-YEAR RECREATIONAL PIER PERMITS TO THE APPLICANTS LISTED IN EXHIBIT "A" ATTACHED AND BY REFERENCE MADE A PART HEREOF.

EXHIBIT "A"
