ASSIGNMENT OF A PORTION OF
LEASE PRC 6072.2

The State Lands Commission authorized issuance to Charles A. Mitchell, Jr., of a ten-year Grazing Lease, running from January 1, 1981, at its meeting of October 30, 1981 (Minute Item 13). The lease involved a total of 41 parcels containing 23,083.20 acres, more or less, of State school land located in San Bernardino County and Inyo County, for a total rental of \$1,144.60 per annum, with the State reserving the right to fix a different rental on the fifth anniversary of the lease.

The school lands in the Mitchell grazing lease are located within and adjoining the Bureau of Land Management (BLM) grazing allotment boundaries: Valley Wells Allotment and Horsethief Springs allotment. Mr. Mitchell acquired the grazing rights on 374,676, more or less, acres of federal lands in these two allotments.

In 1982 the lease of the 14,456.38 acres of school lands within the Valley Wells allotment was assigned to Art and Lowella Parker.

By letter received January 5, 1984, Mr. Gary Overson advised Commission staff he was in the process of buying from Art Parker the grazing rights on BLM's Valley Wells Allotment. Staff has secured appropriately executed and notarized assignment documents covering the State lands within this allotment.
