Authority: P.R.C. 21084 and 14 Cal. Adm. Code 15300.

2. HKM Investments, owner of the Timber Cove Lodge, filed suit against the City of South Lake Tahoe in 1974 seeking to quiet title to beach-front property waterward to the low water mark HKM v. City of South Lake Tahoe, El Dorado Court Superior Court Case No. 24285. The State was later joined in the case.

Subsequently, the California Supreme Court in State of California v. Superior Court (Lyon) (1981) 29 Cal. 3d 210 and State of California v. Superior Court (Fogerty) 29 Cal. 3d 240 held that private upland owners on non-tidal navigable waters hold fee title to the low water mark. It also held that the area lying between high and low water marks is subject to the public trust. While the Fogerty litigation has not determined, the location (elevation) of the high and low water marks in Lake Tahoe, the Commission has previously taken the position that elevations 6,223 and 6,229.1 feet (Lake Tahoe datum) represent the locations of low and high water marks, respectively. Approval of this lease is

contingent on Commission acceptance of the settlement proposal for HKM v. City of South Lake Tahoe case considered in the preceding item of the Commission's Calendar.

The staff has finally concluded an agreement with HKM, wherein the State claims ownership below elevation 6,223 and is charging rent for areas below such elevation, subject to a final judicial resolution of the high and low water marks of Lake Tahoe.

Staff is also recommending that the Commission accept a payment of \$18,000 as rental for occupation of the premises for the period May 19, 1973 through May 18, 1983.

3. This activity involves lands identified as possessing significant environmental values pursuant to P.R.C. 6370, et seq. but will not affect those significant lands.
