APPROVAL OF AMENDED
COMPROMISE TITLE SETTLEMENT AGREEMENT
REDWOOD CITY, SAN MATEO COUNTY

PRIVATE PARTIES: C.J. Development Company, a partnership

On August 21, 1984, the State Lands Commission approved a
Compromise Title Settlement Agreement ("the Agreement") with
Gary Castro and Associates, a partnership ("private parties")
concerning a 12-acre parcel of real property located in Redwood
City, San Mateo County. The real property is referred to as
the "subject parcel", and is described in Exhibit "A" and
depicted in Exhibit "J".

The Agreement first did not identify correctly the private
parties. The Agreement now provides that it is with C.J.
Development Company, rather than with Gary T. Castro and
Associates.

The Agreement also included a provision whereby the private
parties agreed to quitclaim to the State all portions of areas
waterward of the dike or levee along the subject parcel.
However, the description of the boundary of the area to be
quitclaimed was to be left to future agreement, and the staff
of the State Lands Commission was not authorized to establish
such description or to accept or record the quitclaim deed.

The Amended Agreement correctly identifies the private party.
It also provides that the private parties will quitclaim any
and all of the interests they may have in the area waterward of
the creekside boundary of the subject parcel. The boundary of
the subject parcel along Redwood Creek is essentially along the
waterward hinge of the levee along the creek and is landward at
the mean high tideline of the creek. No further agreement will
therefore be necessary to establish the quitclaimed area,
described in Exhibit "C".
