EXECUTIVE OFFICER'S REPORT

OCTOBER 25, 1984

REPLACE OLD TELEPHONE CABLE IN SCHOOL LAND PARCEL,  
PACIFIC TELEPHONE RIGHT-OF-WAY, RIVERSIDE COUNTY

WP 1556

~~PRG 1556~~

THE STAFF AND AT&T COMMUNICATIONS HAVE INITIATED DISCUSSIONS ON THE ASSIGNMENT OF LEASE PRC 1556. THE COMPANY HAS ALSO ADVISED THAT IT MUST REPLACE ABOUT 180 MILES OF OLD CABLE, AND THAT THE WORK NEEDS TO BE STARTED BEFORE THE ASSIGNMENT CAN BE SCHEDULED FOR COMMISSION CONSIDERATION. A PART OF THE WORK AREA INCLUDES A SCHOOL LAND PARCEL IN RIVERSIDE COUNTY.

I HAVE ISSUED A LETTER OF ADVANCE PERMISSION TO THE COMPANY FOR THIS PROJECT, AND IT HAS AGREED TO COOPERATE WITH THE STATE ON COMPLETING THE LEASE ASSIGNMENT.

THE WORK IS A NORMAL MAINTENANCE ACTIVITY AND THERE ARE NO ENVIRONMENTAL CONCERNS OVER THE PROJECT.

EXECUTIVE OFFICERS REPORT

The California State Lands Commission served as host to the third annual Submerged Lands Management Conference in San Diego during the week of October 8th.

From all reports the conference was a complete success. Sixty-five individuals from thirty-one agencies participated in discussions ranging from historic boundary markers to current issues in submerged lands law.

Staff was honored by the interest of the Commissioners, particularly Governor McCarthy, who opened the conference with his welcome speech.

Two sites for next year's conference have been mentioned. Both British Columbia, Canada and the State of Florida have offered to be host.

In addition to the exchange of agency ideas the conference provided a training forum for twenty-five State Lands employees.

Attached for your review is a copy of the conference agenda and attendees.
