APPROVAL OF ACCEPTANCE OF A QUITCLAIM DEED

PERMITTEE. ASARCO, Inc.
P.O. Box 5747
Tucson, Arizona 85703

AREA, TYPE LAND AND LOCATION:
State school land - S1/2, NE1/4 Section 16,
T11N, R1E, S88&M, San Bernardino County,
fourteen miles northeast of Barstow.

LAND USE: Prospecting for valuable minerals.

TERM: Prospecting permit was issued effective
August 1, 1984 for a term of two years.
Permittee has requested quitclaim of the permit
effective February 19, 1986.

REASON FOR QUITCLAIM:
ASARCO has performed geologic mapping and
geochemical sampling on their lode claims on
adjacent sections 15 and 22. The exploration
results coupled with the current depressed
precious metals market and curtailed
exploration budget has caused ASARCO, Inc. to
lose interest in the State prospecting permit
and adjacent area. Although the permit would
expire July 31, 1986, ASARCO does not desire to
maintain the permit and associated liability
for the property.

PREREQUISITE ITEMS:
A. Quitclaim deed duly executed by Permittee.
B. Permittee has complied with paragraph 18 of
the permit which requires restoration of
the land, as nearly as possible, to the
condition existing on the date the permit
took effect.
