DENIAL OF APPLICATION AND AUTHORIZATION FOR
LITIGATION FOR EJECTMENT, AND DAMAGES FOR
UNAUTHORIZED OCCUPATION OF STATE-OWNED LAND

During consideration of Calendar Item 17 attached, William and Louise Wilcoxson appeared to dispute the Commission's claim of ownership over the subject property; however, in an attempt to negotiate a lease with staff, the Wilcoxson's stated they have been unable to obtain liability insurance.

Assistant Executive Officer James Trout recommended that the Commission adopt the calendar item as presented by staff with the understanding that staff will review information concerning ownership of the property with Mr. and Mrs. Wilcoxson.

Staff will advise the Commission prior to initiating litigation.

Without objection, Calendar Item 17 was approved, as presented, by a vote of 2-0.

DENIAL OF APPLICATION AND AUTHORIZATION FOR
LITIGATION FOR EJECTMENT, AND DAMAGES FOR
UNAUTHORIZED OCCUPATION OF STATE-OWNED LAND

APPLICANTS: William R. and Louise Wilcoxson
1998 Milton Road
Napa, California 94558

AREA, TYPE LAND AND LOCATION:
A 0.311-acre parcel of tide and submerged land,
located in the Napa River and Mud Slough
adjacent to Edgerly Island, Napa County.

LAND USE: Boat ramp and boat docking facilities.

1. Denial of Application. Current Law requires State agencies to compile lists of criteria specifying the detailed application information required of applicants for development projects. Accordingly, the State Lands Commission adopted its application criteria through Calendar Item 2 at its April 12, 1973 meeting.

Once an application has been accepted as complete, the Commission must act on the application within specified time periods. Failure to act within the time allowed, either by approving or denying the project, could result in approval of the project.

2. Rationale for Litigation for Ejectment, Damages, and Collection of Back Rent: the applicant purchased the upland parcel in 1973, together with the existing facilities located on State-owned lands. Application for lease was filed with State Lands Commission in August 1978, and denied by Calendar Item 8 on July 7, 1979 due to refusal to accept proposed lease terms by the applicant.
