Authority: P.R.C. 21084 and 14 Cal. Adm. Code 15300.

3. The following additional factors are relevant to the Commission in its decision-making process:
- a. As reported in Calendar Item 19, October 23, 1986, Riverbank Holding Company, four of whose principals have an interest in the River Bank Village, A California Limited Partnership has breached its Lease PRC 6427.1 in several ways, some of which have been corrected. The lease premises under that lease are adjacent and upstream of the lands which are the subject of this application. In April, 1986, Riverbank Holding Company requested an extension of its lease premises under PRC 6427 into the Village Marina area for expansion of the Riverbank Marina. That request has since been dropped, and replaced by the existing application.
  - b. Riverbank Holding Company and the Commission staff have a disagreement over the interpretation of the Rental Provisions of the lease. It is the State's position that River Bank Village, A California Limited Partnership owes a total of \$52,027.66. They have paid \$24,273.38, leaving a difference of \$27,754.28 in dispute.
  - c. The Commission's authority includes the lawful ability to require site clearance, if it deems such action to be prudent.
