AUTHORIZATION TO PURCHASE WITH KAPILOFF LAND BANK
TRUST FUNDS A PARCEL OF LAND ON RICHARDSON BAY
IN THE TOWN OF TIBURON, MARIN COUNTY

APPLICANT: Honorable Albert Arambaru, Supervisor
County of Marin Board of Supervisors
County Administration Building
Civic Center
San Rafael, California 94903

The citizens of the Tiburon community, Town of Tiburon, and the Marin County Open Space District, have been working for some time to purchase a 1+-acre parcel on the Richardson Bay front which sits between the Tiburon Bike Path and the Belvedere shoreline path in the city of Tiburon, -Marin County. Both paths are extremely popular and heavily used during the week, and especially on weekends, by local, as well as other bay area residents. Hikers, joggers, bicyclists, dog walkers, and roller skaters enjoy clear, unobstructed bay views while moving along the path and while resting on the benches.

The parcel, known as the Hobbs property, includes one residence and has been preliminarily approved for the construction of an additional 3,000 square-foot residence. The existing property is now fenced for privacy and blocks views to the bay. If the second house is constructed, the residences would be the only structures impeding an otherwise open shoreline for thousands of feet north or south.

The subject parcel is entirely located within Assessor Parcel Numbers 055-262-02 and 055-262-05. The Tiburon Peninsula Foundation is spearheading local fund raising efforts to raise \$850,000 needed for the acquisition. The State Lands Commission, acting as trustee for the Kapiloff Land Bank Fund, has been asked by the county of Marin to donate \$100,000. in

return, the entire one-acre parcel will be held by the State as land of the legal character of tide and submerged lands subject to the public trust under the jurisdiction of the State Lands Commission, pursuant to the provisions of Division 6 (commencing with Section 6001).

Staff has concluded that this parcel is useful for the public trust purposes of public access to the bay and recreation. The subject parcel will be leased to the City of Tiburon for its management. The City will assume all liability for the property.

The \$100,000 offer will be deemed to be revoked without further Commission action, if commitments for the total purchase price of \$850,000 are not made in writing by September 26, 1987.
