HUNTINGTON BEACH FIELD, ORANGE COUNTY

On January 22, 1987 the State Lands Commission authorized the sale of royalty crude oil from six State Oil and Gas Leases in the Huntington Beach and Belmont Offshore Fields, Orange County. State Oil and Gas Leases PRC 425, PRC 91NU and PRC 91MZU were among the leases for which the Commission authorized the sale of royalty oil.

The present contract does not include the Texaco posting in the definition of Base Price.

The State's share of production from these leases is approximately 16,000 barrels per month of between 170-240 API gravity crude oil.

A Notice Inviting Bids was published in the Orange County Register on March 24, 1987 and sent to all known interested parties. Bids were received and opened on April 8, 1987. Exhibit "A" shows the results of the bidding.
