CONSIDERATION OF CONSENT TO INCORPORATION OF
TIDE AND SUBMERGED LANDS INTO THE PROPOSED
CITY OF DANA POINT, ORANGE COUNTY

APPLICANT: Dana Point Citizens for Incorporation
c/o Robert J. Wagner
25672 Eastwind Drive
Dana Point, California 92629

The State Lands Commission has received a request from the Applicant to consent as the landowner, to the proposed incorporation of tide and submerged lands in the Pacific Ocean (as described in Exhibit B and as depicted on Exhibit A) into the proposed City of Dana Point pursuant to Government Code Section 56108(a).

The Commission approved, on November 19, 1987, pursuant to Minute Item #29, the description of the proposed boundaries (Exhibit B) and in addition approved the boundaries and consented as landowner to the incorporation of an adjacent offshore area.

Because of a controversy between the Dana Point Incorporation proponents and proponents of incorporation of Laguna Niguel the decision on consent to incorporation was postponed until both the citizens in the effected area and the Orange County Local Agency Formation Commission could determine which proposed city should be allowed to incorporate this land.

The citizens in the subject area voted in an advisory election on November 3 and the Orange County LAFCO rendered its decision on December 2, 1987. That decision was appealed, the appeal being rejected on December 16, 1987. On January 27, 1988, Orange County LAFCO again heard the matter and upheld its prior approval of Dana Point as the appropriate local government for incorporation.

(CALENDAR ITEM NO. 40 CONT'D)

The staff of the Commission has no objection to the incorporation of tide and submerged lands into the proposed City of Dana Point.
