OF STATE-OWNED TIDE AND SUBMERGED LAND  
IN SAN PABLO BAY**

**APPLICANT:** Union Oil Company  
Union Oil Center  
Box 7600  
Los Angeles, California 90017

**AREA, TYPE LAND AND LOCATION:**  
A 16.607-acre parcel of filled and unfilled  
tide and submerged land, located in San Pablo  
Bay at Davis Point, Contra Costa County.

**EXPIRED LEASE:**  
General Lease - Industrial Use PRC 600 covering  
a marine petroleum wharf and related  
facilities. Lease expired March 31, 1986,  
without further options to extend or renew.

**CURRENT STATUS:**

The Commission has previously approved two (2) six-month and  
one 18-month extension agreements allowing Union continued use  
of State-owned lands at its San Francisco refinery. The  
extension agreements provided additional time for Union and the  
State to negotiate a new replacement lease.

Union and the State have not yet concluded negotiations for a  
replacement lease. In order to provide Union some assurance as  
to its status regarding the lands they currently occupy, and to  
provide the State some assurances regarding its rights under  
the former lease, staff is recommending that one additional  
six-month extension be approved.

CALENDAR ITEM NO. 18 (CONT'D)

Except as provided below, Union shall continue to use and occupy the lease premises from October 1, 1988 through March 31, 1989. Its use, equipment and occupancy will remain the same, and will serve the same purposes and be operated in accordance with the same terms and conditions of Lease PRC 600, including paragraph 14 of said lease regarding the removal of improvements at the expiration of the term of the lease.

Rental for the extension period shall be \$50,000 for the six-month period; provided that Union shall be entitled to a credit for sums paid as rental during the extension periods toward a finally determined rental in a replacement lease, if one is approved by the Commission.
