CALENDAR ITEM NO. 56 (CONT'D)

A portion of the proposed annexation area consists of State-owned tidelands and submerged lands in the bed of the San Joaquin River, adjacent to the city limits of the City of Antioch, within a presently unincorporated area of Contra Costa County.

The staff of the Commission reviewed the proposed annexation boundary description, as submitted by the City, and made technical corrections which have been accepted by the City. Staff, therefore, finds the boundary description, as depicted on Exhibit "A", to be adequate pursuant to California Government Code Section 56108(c) and (d).

Furthermore, staff of the Commission has no objection to transfer of political jurisdiction from the County to the City and recommends consent to annexation as property owner pursuant to California Government Code Section 56108(a).
