 LONG BEACH UNIT, WILMINGTON OIL FIELD,  
 LOS ANGELES COUNTY**

The City of Long Beach has requested approval of the Third Modification of the 1990-91 Plan of Development and Operations and Budget, Long Beach Unit. This will modify the plan and provide funding for the Drilling and Development Program to permit the operation of a third drilling rig through the end of the 1990-91 budget period. The current adjusted budget funds the drilling program for only 2 1/2 rig-years. This modification will add an additional six months drilling rig activity to the Plan, and augments the 1990-91 Plan and Budget in the amount of \$4,600,000.

Upon approval, the affected budget items would be:

Subject: REQUEST FOR APPROVAL OF THE THIRD MODIFICATION TO THE  
 PLAN OF DEVELOPMENT AND OPERATIONS AND BUDGET,  
 LONG BEACH UNIT (JULY 1, 1990 THROUGH JUNE 30, 1991)

Dear Mr. Warren:

In accordance with the provisions of Part IV, Section A, of the 1990-1991 Plan and Budget, we are submitting for your approval the Third Modification of the Plan of Development and Operations and Budget of the Long Beach Unit covering the period July 1, 1990 through June 30, 1991.

This Third Modification augments the Drilling and Development Program to permit the operation of a third drilling rig through the end of the 1990-1991 budget period. Since the current budget funds the drilling program for only 2-1/2 rig-years, there are insufficient funds available for transfer. Accordingly, a budget augmentation in the amount of \$4,600,000 is proposed.

Those budget items affected will be adjusted as follows:
