CONSIDERATION OF PROPOSED ANNEXATION BOUNDARIES
AND CONSENT TO ANNEX SOVEREIGN LANDS INTO
THE CITY OF REDDING, SHASTA COUNTY

APPLICANT:

City of Redding
760 Parkview Avenue
P. O. Box 496071
Redding, California 96049-6071

The State Lands Commission has received a request from the City of Redding to review and approve the boundaries for the Sacramento River Annexation No. 91-3 and consent to the inclusion of state sovereign lands within said annexation.

The areas proposed for annexation include two segments of the Sacramento River involving approximately three miles of river bed. The general location of the subject areas lie between the existing city limits of Redding being the centerline of the river and the easterly bank of the river presently under the County of Shasta's jurisdiction. The City desires to annex that portion of the river within Shasta County's jurisdiction to facilitate enforcement of its regulations - particularly pertaining to the discharge of firearms and boating operations.

Pursuant to Government Code Section 56108(a), the Commission must consent before land under its jurisdiction can be annexed; Government Code sections 56108(c) and (d) further state that the Commission is to review and approve or deny the proposed annexation boundaries as appropriate and correct.

The staff of the Commission has reviewed the proposed annexation boundary description and finds it adequate within the requirements of Sections 56108(c) and (d). In addition, staff has no objection to the transfer of local political jurisdiction from the County of Shasta to the City of Redding, [Section 56108(a)].
