3. The buoys are for the use of the Association members and will not be rented out by the Association or any member.

CALENDAR ITEM NO. C 1 2 (CONT'D)

01/05/93

**OTHER PERTINENT INFORMATION:**

1. Regarding the existing pier and buoys, pursuant to the Commission's delegation of authority and the State CEQA Guidelines (14 Cal. Code Regs. 15061), the staff has determined that the continued use of the existing multi-use pier and buoys are exempt from the requirements of CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities, 2 Cal. Code Regs. 2905(a)(2).

Authority: P.R.C. 21084, 14 Cal. Code Regs. 15300, and 2 Cal. Code Regs. 2905.

CALENDAR ITEM NO. 12 (CONT'D)

2. Regarding the proposed catwalks, pursuant to the Commission's delegation of authority and the State CEQA Guidelines (14 Cal. Code Regs. 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 3, New Construction of Small Structures, 2 Cal. Code Regs. 2905(c)(2).
3. This activity involves lands identified as possessing significant environmental values pursuant to P.R.C. 6370, et seq. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
4. The catwalks will be constructed with portable equipment located on the deck of the existing pier. No pile driving will be required and there will be no impacts to the existing pier above elevation 6,223, Lake Tahoe Datum.
5. The Permittee does not meet the criteria for rent-free status because some of Permittee's members are not "natural persons". P.R.C. Section 6503.5 requires that to be eligible for a rent-free recreational pier permit, an association or nonprofit corporation must "consist of natural persons".

Permittee's prior rental (\$208.44) was prorated to reflect the ratio of natural to non-natural members of the association. Based on an opinion the staff counsel, proration is not allowed by the statute. The rental recommended herein (\$2,594.16) reflects the elimination of the proration and rent-free status and is based on a 1990 appraisal prepared by staff.

6. The subject property has been physically inspected by staff for purposes of evaluating the impact of the proposed activity on the public trust.

CALENDAR ITEM NO C 1 2 (CONT'D)
