AMENDMENT OF CONFLICT OF INTEREST CODE REGULATIONS
IN TITLE 2, DIVISION 3, CHAPTER 1, ARTICLE 12,

PARTY:

State Lands Commission
100 Howe Avenue, Suite 100-South
Sacramento, California 95825

In compliance with Government Code Section 87306, staff has conducted a biennial review of the Commission's Conflict of Interest Code. As a result of the review, staff determined that the State Lands Commission needs to modify the existing regulations and submit a substantive amendment to the Fair Political Practices Commission. These modifications include renaming one classification to reflect the recent change in classification title, deleting two classifications no longer used by the Commission, and newly designating employees in five classifications because incumbents in these positions make or participate in the making of decisions which may foreseeably have a material financial effect on a financial interest.

Notice of the proposed amendments was published in the Notice Register on July 21, 1995, posted on the employee bulletin boards in all Commission offices and sent to all State Lands Commission managers and supervisors. No requests for a formal public hearing were received and the agency received no comments on the regulations during the written comment period.

Once approved, staff will submit the amended Conflict of Interest Code to the Fair Political Practices Commission for approval and then to the Office of Administrative Law for filing with the Secretary of State's office.

Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission, along with the attached Appendix in which officials and employees are designated and disclosure categories are set forth, are hereby incorporated by reference and constitute the Conflict of Interest Code of the State Lands Commission.
