**BACKGROUND:**

A title dispute exists between the State, acting by and through the California State Lands Commission (STATE) and Robert E. & Mary E. Bacon (BACON) and Michael R. & Denise L. Van Voorhis (VAN VOORHIS) concerning certain property interests in Huntington Harbour within the city of Huntington Beach and Sunset Beach in Orange County.

On February 27, 1998, the Commission approved Calendar Item #C59 authorizing settlement of the above referenced dispute. Subsequently, additional information has been developed requiring clarification of the staff report and a number of exhibit legal descriptions for that item.

In the background summary two statements were made that need clarification, they are corrected below:

1. ~~A portion of t~~ The land in dispute is located within the meander survey for Tideland Location 221 (TLL 221). The State of California sold the tidelands within TLL 221 to R. J. Northam in 1901 and issued a patent for the tidelands on January 6, 1903.
2. ~~A portion of t~~ The land in dispute is not within the meander survey for Rancho La Bolsa Chica, but portions may have been above the ordinary high water mark of lands conveyed pursuant to TLL221.

The Exhibits to the calendar item and agreement are modified as set forth below. All other provisions of Calendar Item C59 remain unchanged.

**PERMIT STREAMLINING ACT DEADLINE:**

**OTHER PERTINENT INFORMATION:**

1. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14 California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a statutory exempt project. The project is exempt because it involves settlements of title and boundary problems.

Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
3. In taking action on this staff recommendation, the Commission is acting as the trustee of the Land Bank Fund created by Public Resources Code section 8610.
