REVISION OF RENT

LESSEE:

Southern California Edison Company
1851 W. Valencia, Building G
Fullerton, California 92833

AREA, LAND TYPE, AND LOCATION:

0.97 acres, more or less, of school land near Elsinore Peak, Riverside County.

AUTHORIZED USE:

Continued use and maintenance of an existing 12 KV overhead transmission
line.

LEASE TERM:

49 years, beginning December 1, 1973.

CONSIDERATION:

This lease provides that Lessor may modify the rent periodically during the lease
term. Pursuant to this provision, staff has conducted a review of the rent under
this lease, and recommends that the rent be revised from \$323.01 per year to
\$344 per year, effective December 1, 1999.

The recommended adjustment of rent is based on adjustment of the prior rent by
application of the Consumer Price Index (CPI). Application of the CPI to adjust
rents at this time is an interim measure necessitated by budget constraints and
resultant losses in staff, and does not obligate the Commission to use the CPI to
adjust rents other than as specifically set forth herein.
