**CONSIDERATION OF PROPOSED BOUNDARIES AND REQUEST FOR CONSENT
TO THE ANNEXATION OF TIDE AND SUBMERGED LANDS
(NEWPORT COAST ANNEXATION / No. CA-01-06)
INTO THE CITY OF NEWPORT BEACH, ORANGE COUNTY**

APPLICANT:

City of Newport Beach
City Hall
PO Box 1768
3300 Newport Blvd
Newport Beach, CA 92659-1768
Attn: Dave Kiff, Assistant City Manager

BACKGROUND:

The California State Lands Commission has received a request from the City of Newport Beach to process an approval of boundaries and consent to the annexation of tide and submerged lands in an unincorporated area of Orange County into the City of Newport Beach, Orange County.

The area of the proposed annexation, as shown on Exhibit B, includes onshore areas bordered by the current city boundaries of Newport Beach on the west and Irvine on the north, and the sphere of influence of Laguna Beach on the east. On the south the entire upland shoreline area is within Crystal Cove State Park. The portion of the annexation involving the tide and submerged lands is bordered on the west by the current boundaries of Newport Beach and on the north by an unincorporated area of Orange County within Crystal Cove State Park. The proposed southeasterly boundary will run from the intersection of the mean high tide line and the proposed easterly boundary 3 mile offshore to the current southeasterly corner of the city.

Currently pending in the Legislature is SB 516 (Johnson). This bill, if enacted, would provide that Orange County continue to exercise development review authority under the Coastal Act within the annexed area until the City of Newport Beach has its Local Coast Program (LCP) adopted by the Coastal Commission. The target date for the certification of the LCP by the Coastal Commission is June 30, 2003.
