Pursuant to Government Code Section 126 the State Lands Commission is authorized on behalf of the State of California to cede concurrent criminal jurisdiction to the United States upon finding:

- a. the land is held for the erection of forts, arsenals and other needful buildings, or other public purpose within the purview of Clause 17 of Section 8 of Article 1 of the United States Constitution;

- d. the State reserves jurisdiction over the land for purposes of water acquisition and management.
- e. the United States has agreed to compensate the State for costs incurred in processing the cession.

The United States presently has concurrent criminal legislative jurisdiction over the National Training Center and Fort Irwin, San Bernardino County. This jurisdiction was ceded by the California State Lands Commission on June 5, 1991 and renewed for another five years in 1996. The prior cession has expired. By letter dated February 14, 2002 the United States has requested that the State of California again cede concurrent criminal legislative jurisdiction over these facilities for another five years.

A noticed public hearing was held on March 29, 2002. Notice of the hearing was published as required by Section 126 and served upon the Clerk of the Board of Supervisors for San Bernardino County. Affidavits of the publication and service are found in the Commission's files. No comments in opposition to the cession were received.

The Commission staff believe that the cession of concurrent criminal jurisdiction is in the best interest of the State of California in connection with the exercise of criminal jurisdiction over these facilities.
