CALENDAR ITEM NO. C13 (CONT'D)

OTHER PERTINENT INFORMATION:

1. Applicant owns and has a right to use the uplands adjoining the lease premises.
2. This project is only for SMUD's use and will provide SMUD with a fiber optic cable system between their major Substations (Hurley, Elverta, Natomas and North City Substations). It will enable critical communications to monitor, control and protect SMUD's power grid, including generating stations, transmission lines and substations.
3. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA under the general rule that the CEQA applies only to projects, which have the potential for causing a significant effect on the environment. The staff believes, based on the information available to it, that there is no possibility that this project may have a significant effect on the environment.

Authority: Title 14, California Code of Regulations, section 15061(b)(3).

4. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code sections 6370, et seq. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
