lease premises. The sales contract permits the mining of decorative rock on the BLM land. Applicant is applying to use an existing, unpaved haul road that crosses State School Lands to access the site of the mining operation.

2. Applicant has an approved Reclamation Plan (Plan) with San Bernardino County. The Plan requires the Applicant, at the conclusion of the contract, to reclaim the BLM and state land as required by the Surface Mining and Reclamation Act. The Plan includes financial assurances that adequately cover the cost of reclaiming the quarry and the access road, including the access road that crosses State School Lands.
3. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the provisions of the CEQA under the general rule that the CEQA applies only to projects which have the potential for causing a significant impact on the environment. The staff believes, based on the information available to it, that there is no possibility that this project may have a significant impact on the environment.

Authority: Title 14, California Code of Regulations, sections 15061(b)(3).

5. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code section 6370, et seq. Based upon staff's consultation with persons nominating such lands and through the CEQA review process, it is the staff's opinion the project, as proposed, is consistent with the use classification.
