**AUTHORIZED USE:**

Continued use and maintenance of an existing pier, sundeck with railing, boat lift, and two mooring buoys as shown on Exhibit A.

**LEASE TERM:**

Ten years, beginning January 1, 2008

CALENDAR ITEM NO. **C13** (CONT'D)

2. The lease contains provisions that the existing sundeck, as shown on the attached Exhibit A, cannot be expanded, and if repairs to any portion of the existing sundeck cost more than 50% of the base value of the sundeck, then the sundeck must be removed from the lease premises.

**OTHER PERTINENT INFORMATION:**

1. Applicants own the uplands adjoining the lease premises.
2. On February 27, 1998, the Commission authorized a Recreational Pier Lease to Arthur E. Engel and Veronica Engel. That lease expired December 31, 2007. On March 23, 2004, the upland property was deeded to Dan E. Littrell and Nancy E. Littrell, Trustees of the Littrell Family Trust dated November 7, 1990. The Applicants are now applying for a new General Lease – Recreational Use.
3. The Applicants qualify for rent free use of the existing pier, boat lift, and two mooring buoys because the Applicants are natural persons who own the littoral land that is improved with a single family dwelling pursuant to Public Resources Code 6503.5. The sundeck with railing does not qualify for rent-free status because it is a facility not constructed for the docking and mooring of boats.
4. Staff is recommending that the Commission accept back rent in the amount of \$450 for the period starting from the date ownership transferred to the Applicants, March 23, 2004, through December 31, 2007.
5. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; Title 2, California Code of Regulations, section 2905 (a)(2).

Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.

6. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code sections 6370, et seq. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
